INTRODUCTION

An interesting and challenging experience awaits you as an employee of Grant County. In order to answer questions concerning the County and its policies, we have written this handbook. Please read it thoroughly and retain it for future reference.

This Handbook is designed to familiarize you with the policies and practices that apply to your employment and is not intended to be and does not constitute a contract of employment. This Employee Personnel Policy Handbook has been adopted by Grant County pursuant to Okla. Stat. Ann. tit. 19, § 339 (A) (9).

The following personnel policies are designed to inform Grant County Employees of the County's operating policies and practices as they apply to all County employees. County employees are defined as those deputies and employees employed by or serving at the pleasure of the elected officials. Each County employee is responsible to the elected official who hires and/or appoints that employee.

From time to time as conditions change, it will be necessary to change or add rules and procedures governing employees. Where practical or required by law such changes will be posted in advance of their effective date, after which time they will become a part of this handbook. Should you have any questions regarding policies, please ask your supervisor, elected officer or the County Clerk for assistance.

EMPLOYMENT POLICIES

EQUAL EMPLOYMENT OPPORTUNITY STATEMENT

The County provides equal employment opportunity for all employees and applicants regardless of race, color, religion, sex, age, national origin, citizenship status, disability, genetic information, or veteran status. This commitment to equal employment opportunity extends to all aspects of employment, including hiring, promotion, training, working conditions, compensation, and discipline. The County complies with all applicable federal and state equal employment opportunity laws. Furthermore, the County will make reasonable accommodations for qualified individuals with known disabilities, unless doing so would result in an undue hardship, health, or safety concern.

RECRUITMENT/JOB POSTING

All job openings shall be posted publicly and/or filled from applications filed with the Elected Official. Postings generally include the title, the salary range, the minimum hiring specifications, and the closing date for filing applications. Applications will only be accepted when there is a job opening, and applications submitted will be maintained on file for one year.

HIRING PROCEDURES

Each elected official shall be responsible for hiring and/or appointing the employees in his/her office. The number of persons hired or appointed shall be based on the budget appropriation for the fiscal year in which the hiring/appointment is made.

Employees serve at the pleasure of the elected official.

All new employees, upon instruction from the elected official, will report to the County Clerk's Office for enrollment as a county employee.

Applicants and employees will be required to demonstrate their eligibility to work in the United States as provided by federal and state laws.

POLICY AGAINST HARASSMENT AND DISCRIMINATION AND COMPLAINT PROCEDURE

Discrimination, harassment, and/or retaliation in any form constitute misconduct that undermines the integrity of the employment relationship with the County. The County prohibits discrimination and/or harassment that is sexual, racial, or religious in nature or is related to anyone's gender, national origin, age, disability, or any other basis protected by federal, state, or local law. Furthermore, the County will make reasonable accommodations for qualified individuals with known disabilities, unless doing so would result in an undue hardship, health, or safety concern.

Unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a harassing and/or discriminatory nature will constitute harassment and/or discrimination. Employees must be allowed to work in an environment free from unsolicited and unwelcome sexual overtures. Sex discrimination and sexual harassment are against the law.

The following are some examples of conduct which may be legally actionable sexual harassment:

- Use of any offensive or demeaning terms which have sexual connotation.
- Objectionable physical proximity or physical contact.
- Unwelcome suggestions regarding, or invitations to, social engagements or work-related social events.
- Any indication, express or implied, that an employee's job security, job assignment, conditions of employment, or opportunities for advancement depend or may depend on the granting of sexual favors to any other employee, supervisor, or manager.
- Any action relating to an employee's job status which is in fact affected by consideration of the granting or refusal of social or sexual favors.
- The deliberate or careless creation of an atmosphere of sexual harassment or intimidation.
- The deliberate or careless expression of jokes or remarks of a sexual nature to or in the presence of employees who may find such jokes or remarks offensive.
- The deliberate or careless dissemination of materials (such as cartoons, articles, pictures, etc.), which have a sexual content and which are not necessary for our work, to employees who may find such materials offensive.

The County expects that everyone will act responsibly to establish a professional work environment. However, if an employee feels he/she has been subjected to any form of harassment, discrimination and/or unfair treatment, the employee should promptly report that conduct to his/her immediate supervisor, another member of supervision, or a member of the Board of Commissioners. Employees are not required to approach the person who is harassing and/or discriminating against them, and they may bypass any offending member of supervision. The person the harassment or discrimination is reported to will take the necessary steps to initiate an investigation of the discrimination and/or harassment claim. Employees who believe they have been discriminated against based on a disability or who believe they have not been properly afforded a reasonable accommodation for a disability should utilize this same complaint and reporting process.

The County will conduct its investigation in as confidential a manner as possible. However, the County will not allow the goal of confidentiality to be a deterrent to an effective investigation. A timely resolution of each complaint will be reached and communicated to the employee. Appropriate corrective action, up to and including termination, will be taken promptly against any employee engaging in discrimination and/or harassment. The corrective action issued will be proportional to the severity of the conduct. The alleged harasser's employment history and any similar complaints of prior unlawful discrimination and/or harassment will be taken into consideration.

The County prohibits retaliation of any kind against employees, who, in good faith, report harassment, discrimination and/or unfair treatment or assist in investigating such complaints. If an employee feels he/she has been subjected to any form of retaliation, the employee should promptly report that conduct to his/her immediate supervisor, another member of supervision, or Board of Commissioners. Employees are not required to approach the person who is retaliating against them, and they may bypass any offending member of management. Employees are also encouraged to use the Complaint Resolution Procedure (Open Door Policy) set-out in this Handbook.

MEDICAL EXAMS

As a condition of employment, it may be necessary for job applicants to pass a medical evaluation by a County selected physician after a conditional offer of employment has been made. An applicant who has received a conditional offer of employment and who fails to appear for a medical examination will be disqualified from further employment consideration. Medical exam expenses shall be provided by the County.

COMPENSATION POLICIES

TIME RECORDING (NON-EXEMPT EMPLOYEES)

The County is required by law to keep accurate records of the actual hours worked by the nonexempt employees, including hours worked each day and total hours worked each work week. Nonexempt employees must use time clocks, timecards, or other similar means of accurately recording their regular hours worked, meal periods, overtime, absences, holiday, and vacations. Time records should be carefully checked for accuracy as paychecks will be calculated according to the information shown on them unless the information is determined to be erroneous.

Nonexempt employees are required to accurately record their time and the following rules must be observed:

1. You should arrive at the workplace allowing sufficient time to clock or check in (if appropriate) and start work on time.
2. Employees should clock or check in or otherwise accurately record their time immediately prior to starting work, immediately before and after their meal periods and when leaving at the end of the work shift or when leaving the premises for approved personal reasons.
3. If appropriate, timecards must be returned to the timecard rack immediately after being checked. Employees are responsible for ensuring that their timecards are not lost, mutilated, or falsified.
4. Employees are not permitted to clock or check in for another employee or to otherwise record another employee's time.
5. To be valid, corrections or alterations on a time record must be initialed as soon as possible by the employee's supervisor. Employees who fail to clock or check in or out or otherwise accurately record their time may be subject to discipline up to and including immediate discharge.
6. Employees are prohibited from working overtime that is not approved and authorized by a supervisor.

The regular payday shall be on the (10th) tenth day of the following month. Checks will normally be distributed by 4:00 p.m. on the regular payday. When a payday falls on a holiday or other non-scheduled workday, employees will normally be paid on the last preceding workday.

PAYROLL DEDUCTIONS

Only deductions required and/or permitted by law and/or authorized by the employee will be withheld from an employee's paycheck. Those required by law are as follows:

- **CREDIT UNION**

Any questions about a paycheck should be addressed first to the employee's supervisor or department head, then to the elected official under whom the employee works. The elected official will make further checks, if necessary, with the County Clerk.

Whenever an employee's employment terminates, the employer shall pay the employee's wages in full, less offsets, at the next regular designated payday established for the pay period in which the work was performed either through the regular pay channels or by certified mail postmarked within the deadlines herein specified if requested by the employee.

Okla. Stat. Ann. tit. 19, § 153; Okla. Stat. Ann. tit. 40, §§ 165.2 to 165.3

FULL-TIME STATUS for COURTHOUSE EMPLOYEES:

A Courthouse employee who works an annual-average of 130 hours per month, for a 12-month period, will be classified as a full-time employee. A full-time employee is entitled to the following benefits which are paid for by the County: ***Medical insurance, dental insurance, vision insurance, group life insurance, leave benefits, and participation in OPERS (Oklahoma Public Employees Retirement System).***

HOURS OF WORK:

The Grant County Courthouse will normally be open Monday through Friday from 8:00 a.m. to 4:00 p.m. Employees may **not** work overtime or in excess of their normal schedule without prior approval by a supervisor or manager.

Most County employees will follow a normal schedule and work a maximum of forty (40) hours per week. Each elected official shall set the lunch periods and break periods, if any, for his/her office, **but at no time shall an office be left without adequate staff to perform necessary duties.**

The activities of some departments require alternative schedules to meet their work needs. In those departments, the elected official may authorize a deviation from the normal work schedule.

WORK WEEK AND WORK PERIOD:

The work week for all employees, except law enforcement commences at 12:01 A.M. on Monday and ends at 12:00 midnight the following Sunday. For law enforcement employees who meet the following requirements:

- 1) A uniformed or plain clothed member or a body of officers who are empowered by statute or local ordinance to enforce laws designed to maintain public peace and order and to protect both life and property from accidental or willful injury, and to prevent and detect crimes;
- 2) Has the power of arrest; and
- 3) Presently undergoing, has undergone, or will undergo on-the-job training and/or a course of instruction and study which typically includes physical training, self-defense, firearm proficiency, criminal and civil law principles, investigation and law enforcement techniques, community relations, medical aid, and ethics.

29 C.F.R. § 553.211(a)

The work period begins at midnight on Sunday and continues a 28-day cycle ending at midnight on Sunday four weeks later. This latter work period for all law enforcement is intended to qualify for the exemption permitted under Section 7(k) of the Fair Labor Standards Act, as amended.

NOTE: Jailers whose duties are limited to controlling and maintaining custody of prisoners may qualify for the 7(k) partial overtime exemption and be subject to the 28-day cycle. However, jailers who spend more than 20% of their time on other duties (e.g.: dispatch, radio, administrative, clerical, etc.), are not qualified for the 7(k) partial overtime exemption and are not subject to the 28-day cycle.

EARNING OVERTIME:

Grant County's overtime policy conforms to overtime provisions of the Federal Fair Labor Standards Act and applicable Oklahoma Laws. Exemptions from these provisions will be claimed only when the necessary basis is established.

Grant County Employees who are not exempt and who are not law enforcement personnel shall be entitled to earn compensatory time off at the rate of one and one half (1 ½) times their regular rate of pay for all hours physically worked in a work week in excess of 40 hours.

In the case of law enforcement personnel who are not exempt compensatory time will be earned for hours worked in excess of 171 hours in the 28-day period. Such compensatory time will be earned at the rate of one and one half (1½) times the employee's regular rate of pay.

Note: Only nonexempt employees are entitled to earn compensatory time as describe above. Exempt employees are not entitled to overtime pay.

COMPENSATORY TIME OFF FOR OVERTIME:

Grant County has adopted as its policy, practice and procedure, a method of compensating employees for overtime whereby employees are required to utilize compensatory time off in lieu of cash overtime payments. As an exception to this policy, and at the sole discretion of the elected official, the elected official may decide to make cash overtime payments. Compensatory time off will be granted to an employee at the rate of one and one half (1½) hours for each hour of overtime worked.

All compensatory time off will be scheduled within a reasonable period after requested if it does not unduly disrupt operations. Except in the case of law enforcement personnel, each employee can accrue up to 240 hours of compensatory time off in lieu of overtime payment. Employees will be paid cash for any compensatory time accrued in excess of 240 hours.

In the case of law enforcement personnel who are not exempt, each employee can accumulate up to 480 hours of compensatory time off. After the accrual of 480 hours of compensatory time, a law enforcement employee will thereafter be paid cash payment for overtime. In all cases where compensatory time off is authorized, once the employee has utilized compensatory time off to reduce the maximum accrual below the applicable limit, then additional overtime will be paid in the form of additional compensatory time off.

74 O.S. § 840-2.15; 29 U.S.C. § 207(o).

Note: 74 O.S. § 840-2.15 requires that any County employees working in "an institutional setting" (i.e., jailors and perhaps others) must be allowed to take their compensatory time off within 180 days of when it is accrued.

LEAVE BENEFITS

Grant County has adopted a paid general leave program for regular employees which incorporates forms of leave such as annual, sick leave, military leave, emergency leave, funeral leave, and education leave. It is the intent of the general leave program to allow eligible employees greater flexibility in the use and application of paid absence from work while maintaining necessary and appropriate operation levels. Each elected official shall be responsible for keeping records of the leaves taken by his/her employees and shall make monthly reports to the County Clerk. Such records shall include type and length of leave. All vacation and leave benefits shall be calculated from the date of employment.

MILITARY LEAVE: Full-time employees who are members of any military reserve component will be granted military leave for such time as they are in the military service on field training or active duty for periods not to exceed an accumulation of five (5) years while working for Grant County. To be eligible for such leave, the employee must:

1. Provide Grant County with advance written or verbal notice of the leave;
2. Return to work or apply for reemployment in a timely manner after conclusion of service; and
3. Have not been separated from service with a disqualifying discharge or under other than honorable conditions.

During the first thirty (30) calendar days for Grant County full-time employees in any federal fiscal year, full-time employees shall continue to receive their full regular rate of pay for such military leave of absence. The federal fiscal year is October 1st to September 30th. This time may not be used for weekend drills. Such requested leave shall be supported with copies of the armed forces orders.

Okla. Stat. Ann. tit. 72, § 48

BEREAVEMENT LEAVE: Employees shall be granted time off with pay not to exceed (3) three consecutive scheduled working days to attend the funeral in the event of the death of the employee's parent, child, spouse, brother, sister, grandparent, grandchild, great grandparent, great grandchild, uncle, aunt, nephew, or niece. Any additional time shall be charged to annual leave.

At the discretion of the elected official, employees may be granted necessary time off with pay to attend the funeral of other relatives or friends.

EDUCATION LEAVE: Full-time employees may be granted leave with pay for attendance at conferences, seminars, or short courses of instruction designed to advance the technical or professional skills of the person attending. Such education or training leave must be authorized by the elected official prior to the leave being taken, and the education or training must be determined by the County to be related to the employee's job responsibilities for the County.

Okla. Stat. Ann. tit. 19, § 130.6

INCLEMENT WEATHER AND UNSAFE WORKING CONDITIONS LEAVE: In the event the Grant County offices need to be closed because of an imminent peril threatening the public health, safety, or welfare of county employees or the public, or when county offices are temporarily closed or reduced due to hazardous weather conditions, the person designated by the Board of County Commissioners of Grant County, will contact elected officials and/or supervisors of the closure. The closure will be determined by the member(s) of the Grant County Board of Commissioners and will be relayed to the authorized designate to contact all elected officials and/or department supervisor in a timely manner. Employees who are scheduled to work in the affected work areas will be placed on paid administrative leave or, if applicable, may be assigned to work in another location as approved by the Board of County Commissioners. Employees who are on paid administrative leave, due to unsafe working conditions, will be on standby or on-call status during their normal duty hours. The person designated by the Board of County Commissioners for Grant County may call officers to return to their normal duties or respond to the demands of the situation as necessary. The authorized designee is the Emergency Manager.

Paid administrative leave means leave granted to affected employees if offices are closed because of an imminent peril threatening the public health, safety, or welfare of county employees or the public, or when county offices are temporarily closed or reduced due to hazardous weather. Examples of reasons for temporarily closing an office due to unsafe working conditions are: Leaks of toxic fumes in buildings; Life threatening damage to building structures; or Emergency operations which would be disrupted by the presence of the usual work force; or any other condition which poses a significant threat to the safety of the work force.

Paid administrative leave will be allowed to all affected employees only when a county office is temporarily closed, or services are temporarily reduced due to hazardous weather. The granting of administrative leave applies only to employees scheduled to work during the time of the closure or reduced services. It does not apply to employees who are absent during the closure or reduction on any

previously approved leave. Employees who are not eligible to accrue leave, such as part-time employees, shall not be granted administrative leave when county services are temporarily closed or reduced due to hazardous weather conditions.

When the person designated by the Board of Commissioners is given authorization by a member of the Board of County Commissioners, the authorized designee may contact and authorize offices or departments to maintain basic minimum services because hazardous weather conditions impede or delay the movement of employees to and from work, employees responsible for providing minimum services shall report to work. The elected or appointed officials of each office will be responsible for determining essential department functions and ensuring that employees who staff such functions are informed. Employees who are considered responsible for basic minimum services and who are required to work when county services are temporarily reduced due to hazardous weather conditions will be entitled to accrue administrative leave on a straight-time basis up to eight hours per day for hours worked in their regularly scheduled work periods during such reduction. Administrative leave accrued under this provision must be taken within 180 days of its accrual or the employee shall be paid for the leave. An extension of the time period for taking the leave may be approved for up to an additional 180 days, providing the elected or appointed official approves. Accrued administrative leave must be used before granting of any annual leave except when the employee may lose accrued leave.

Employees who are responsible for basic minimum services who do not report to work have the following options to account for leave:

- (1) Charge the absence to accumulated compensatory time;
- (2) Charge the absence to accumulated annual leave;
- (3) Make up lost time in a manner consistent with the FLSA, if the Appointing Authority determines that office hours and schedules permit.

An employee who leaves earlier than a designated early dismissal time, or who arrives later than a designated late arrival time, shall be charged leave for the excess time.

Okla. Stat. Ann. tit. 74, § 840-2.20A; Okla. Admin. Code § 260:25-15-71

JURY AND COURT DUTY: Grant County desires that all employees fulfill their duty to serve as members of juries or to testify when called in Federal, State or municipal courts. Therefore, the following procedures shall regulate when an employee is called for jury duty or subpoenaed to court:

- The employee will be granted a leave of absence when the employee is

subpoenaed or directed by proper authority to appear in Federal, State or municipal court as a witness or juror. The employee will be required to provide satisfactory documentation requiring their appearance as a witness or juror.

- The employee will receive his/her regular compensation during the time he/she is serving on jury duty and, the employee may retain all compensation or fees which he/she receives for serving as a juror. [Alternative] The employee may retain all compensation or fees which he/she received for serving as a juror. The employee will receive his/her regular compensation during the time he/she is serving on jury duty, less all compensation or fees received from serving as a juror. Alternatively, the employee may endorse or “sign-over” any checks for compensation or fees received for serving as a juror.
- If the employee is relieved from court or jury duty during working hours, the employee must report back to his/her worksite.
- The above provisions concerning compensation for time in court do not apply if the employee is involved in private litigation. On these occasions, the employee must take annual leave, compensatory time or leave without pay.

Okla. Stat. Ann. tit. 38, §§ 34-35

LEAVE WITHOUT PAY: Leave without pay of specified length may be granted at the sole discretion of the elected official. While on leave without pay, an employee will not accrue vacation time or sick leave.

An employee granted leave without pay remains a county employee and does not lose his/her work experience status. The absence of an employee without paid leave, shall not exceed a period of one year.

Okla. Stat. Ann. tit. 74, § 840-2.21

FAMILY AND MEDICAL LEAVE ACT (FMLA)

Grant County will comply with the federal Family and Medical Leave Act of 1994, as amended in 2010 (the “FMLA”). Employees must have been employed by Grant County for more than 12 months over the past seven (7) years and must have worked at least 1,250 hours in the 12 months preceding any leave to be eligible for the Family and Medical Leave described in this Policy (note: this seven (7) year measurement is adjusted if the leave is due to certain military service). Employees must also work in or within 75 miles of a location at which Grant County employs 50 or more individuals to be eligible for the Family Medical Leave described in this Policy.

Grant County provides up to a total of 12 weeks of leave in any “forward rolling” 12-month period. The 12 month forward rolling period during which time you may take up to 12 weeks of unpaid FMLA Leave is a period measured forward from the date the employee first takes FMLA leave. For example, if an eligible employee first takes FMLA Leave on May 1, they are entitled to no more than 12 weeks of FMLA Leave through April 30. Additionally, eligible employees have the right to take up to 26 weeks of unpaid leave in a single 12-month period (less any FMLA leave taken during the period for other purposes under this Policy) to care for a family service member in connection with a serious military illness or injury. See “Military Caregiver Leave” below.

Upon submission and approval of a leave of absence request, eligible employees are entitled to leaves of absence for the following purposes:

1. **Birth / Adoption / Foster care Leave.** An employee may take leave in connection with the birth of the employee’s natural child or the placement of a child with the employee for adoption or foster care. An employee’s entitlement to leave for birth or placement of a child expires 12 months after the birth or placement.
2. **Family Leave.** An employee may take leave to care for his or her son or daughter, spouse, or parent with a serious health condition.
3. **Medical Leave.** An employee may take leave in connection with his or her own serious health condition which renders the employee unable to perform his or her job duties.
4. **Military Qualifying Exigency Leave.** An employee with a spouse, son, daughter, or parent on “covered active duty” may use their 12-week leave entitlement to address certain qualifying exigencies.
5. **Military Caregiver Leave.** An employee is also entitled to take up to 26 weeks of leave during a single 12-month period (less any FMLA leave taken during the period for other purposes under this Policy) to care for a “covered service member” with a serious injury or illness, if the employee is the spouse, son, daughter, parent, or next of kin of the covered service member. This leave is applied on a per-covered-service member, per-injury basis, provided that no more than 26 workweeks of leave may be taken during a single 12-month period.

Definitions

As used in this Policy and under the federal FMLA regulations, the following terms are defined as follows:

1. “Child or Son or Daughter”

2. “Contingency Operation”

When no such designation is made, and there are multiple family members with the same level of relationship to the covered service member, all such family members shall be considered the covered service member's next of kin and may take FMLA leave to provide care to the covered service member consecutively or simultaneously.

10. "Qualifying Exigency"

Qualifying exigencies include the following:

a. Short-Notice Deployment:

An allotment of up to 7 days of leave to address any issue that arises from the fact that the employee's spouse, son, daughter, or parent, who is on covered active duty has been notified of an impending call or order to active duty in support of a contingency operation seven or less calendar days prior to the date of deployment.

- b) to the timing and duration of the leave.

11. "Parent"

Parent means a biological parent or an individual who stands or stood in loco parentis to an employee when the employee was a child. The term does not include parents "in-law."

12. "Serious Health Condition"

A serious health condition is an illness, injury, impairment or physical or mental condition that involves: (1) inpatient care (an overnight stay in a hospital, hospice, or residential medical care facility) and any corresponding period of incapacity or subsequent treatment in connection with the inpatient care, or (2) "continuing treatment," as defined above, by a health care provider. "Incapacity" means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, treatment therefore or recovery therefrom. "Treatment" includes examinations to determine if a serious health condition exists and evaluations of the condition. Treatment does not include routine physical, eye, or dental examinations. Ordinarily, unless complications arise, the common cold, the flu, earaches, upset stomach, minor ulcers, headaches or other migraine, routine dental or orthodontia problems, periodontal disease, etc., are examples of conditions that do *not* meet the definition of a serious health condition and do not qualify for FMLA leave.

13. "Serious Injury or Illness"

A serious injury or illness is either: a) in the case of a current member of the Armed Forces (including a member of the National Guard or Reserves), means an injury or illness that was incurred by the member in line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in line of duty on active duty in the Armed Forces) and that may render the member medically unfit to perform the duties of the member's

office, grade, rank, or rating; or b) in the case of a veteran who was a member of the Armed Forces (including a member of the National Guard or Reserves) at any time during the period 5 years preceding the date on which the veteran undergoes medical treatment, recuperation, or therapy, means a qualifying injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in line of duty on active duty in the Armed Forces) and that manifested itself before or after the member became a veteran.

14. "Serious Injury or Illness for a Covered Veteran"

An injury or illness that was incurred or aggravated by the member in the line of duty on active duty in the Armed Forces and manifested itself before or after the member became a veteran, and is:

- (1) A continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the service member unable to perform the duties of the service member's office, grade, rank, or rating; OR
- (2) A physical or mental condition for which the covered veteran has received a VA Service-Related Disability Rating (VASRD) of 50 percent or greater and such VASRD rating is based, in whole or in part, on the condition precipitating the need for caregiver leave; OR
- (3) A physical or mental condition that substantially impairs the veteran's ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service or would do so absent treatment; OR
- (4) An injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers.

15. "Spouse"

Spouse means a husband or wife as defined or recognized under state law for purposes of marriage, including common law marriage in states where it is recognized.

Employee Notice or Grant County Election of FMLA Leave

When it is foreseeable for the birth or placement of a child or for planned medical treatment, an employee who wishes to take leave under this Policy must give reasonable, advance notice and must submit a written leave of absence request for approval prior to the commencement of the leave. In most circumstances, a “reasonable, advance notice” means 30 days. When planning medical treatment, the employee must consult with the Human Resources Department and make a reasonable effort to schedule the treatment so as not to unduly disrupt Grant County’s operations, subject to the approval of the health care provider. Advance notice of the need to take Military Caregiver Leave is also required when such leave is foreseeable. The employee has a responsibility to provide notice sufficient to make Grant County aware that the employee needs FMLA qualifying leave, and the anticipated timing and duration of the leave. Failure to provide notice sufficient to make Grant County aware that the employee needs FMLA qualifying leave could result in a denial of the employee’s leave application.

When it is not possible to give advance notice—for example, in connection with an unforeseeable medical emergency or for Military Qualifying Exigency Leave—the employee must notify the Human Resources Department as soon as practicable, ordinarily within one (1) or two (2) business days of when the employee learns of the need for leave. Employees must follow Grant County’s customary call-in procedures, unless unusual circumstances require a deviation from them.

When an employee requests FMLA leave, the Human Resources Department will notify the employee of the employee’s eligibility for and obligations and expectations of taking FMLA leave within five (5) business days, absent extenuating circumstances. After the Human Resources Department has enough information to determine whether the leave is being taken for an FMLA-qualifying reason, the Human Resources Department will notify the employee of whether the leave will be designated and will be counted as FMLA leave within five (5) business days, absent extenuating circumstances. Grant County also has the right to designate an absence as Family and Medical Leave on its own volition, consistent with applicable laws and regulations, even if the employee does not request it.

If an employee has credited vacation and/or sick leave, he or she must take advantage of those paid leaves in connection with any leave under this Policy. That means that the employee’s paid leave will run concurrently with their FMLA leave. Accordingly, the period of unpaid leave is shortened by the period of paid leave so that the maximum leave taken is no more than 12 weeks.

If such paid leaves do not apply or have been exhausted, leaves under this Policy will be without pay. Employees who are absent and receiving benefits under worker’s compensation insurance are not required to substitute credited vacation or sick leave. Nonetheless worker’s compensation or other disability absences qualifying as serious health conditions will be designated by Grant County as Family and Medical

Leave and the leave would be counted as running concurrently for purposes of both worker's comp/long-term disability and FMLA.

Certification of FMLA Leave

Grant County will require a health care provider's complete and sufficient certification of either the employee's or the family member's serious health condition, whichever is applicable, to be completed within 15 calendar days of the leave request. For Military Qualifying Exigency Leave, Grant County will require complete and sufficient certification for the first instance of a request for leave in accordance with 825.309 of the FMLA, to be completed within 15 calendar days of the leave request. For Military Caregiver Leave, Grant County will require confirmation of a covered family relationship to the covered service member pursuant to 825.122(j) of the FMLA. Also, for Military Caregiver Leave, the employee must provide complete and sufficient certification to Grant County in accordance with 825.310 of the FMLA, to be completed within 15 calendar days of the leave request. Grant County will notify the employee of the requirement to provide certification and the penalties for failing to do so upon the employee's notice of a request for FMLA leave; within five (5) business days thereafter; or within five (5) business days of the leave commencing in cases of unforeseen leave. Where the employee's need for leave due to the employee's own serious health condition, or the serious health Grant condition of the employee's covered family member, lasts beyond a single year, Grant County will require the employee to provide a new medical certification in each subsequent leave year.

If the certification the employee provides is incomplete (blank entries) or insufficient (vague or non-responsive answers), the Human Resources Department will advise the employee of the deficiencies in writing and the employee will be allotted seven (7) additional calendar days (unless not practicable under the particular circumstances despite the employee's diligent good faith efforts) to cure the certification. Failure to provide complete and sufficient certification could result in a denial of the employee's FMLA leave request.

Furthermore, upon the employee's authorization pursuant to HIPAA, the Human Resources Department may contact the health care provider for purposes of clarification and authentication of any medical certification. (Blank Grant) County will, under no circumstances, utilize the employee's direct supervisor when making such contact. Despite Grant County's ability to make such contact, it remains the employee's sole responsibility to provide the employer with a complete and sufficient certification, and a failure to do so could result in a denial of the employee's FMLA leave request.

Grant County may request recertification for leave taken because of the employee's own serious health condition or the serious health condition of a family member every thirty (30) days if the employee continues to be absent. If the medical certification indicates that the minimum duration of the condition is more than thirty (30) days, Grant County will wait until the minimum duration expires before requesting a recertification. In all cases Grant County can request recertification of a medical condition every six (6) months in connection with an absence of the employee. In all cases (Blank Grant) County may request recertification in less than thirty (30) days if: (a) the employee requests an extension of leave; (b) circumstances described by the previous certification have changed significantly; (c) Grant County receives information that casts doubt upon the employee's stated reason for the absence or the continuing validity of the certification. All recertification requested shall be at the employee's expense.

As a condition for restoring an employee whose FMLA leave was occasioned by the employee's own serious health condition that made the employee unable to perform the employee's job, Grant County will require the employee to obtain and present certification from the employee's health care provider that the employee is able to resume work. The employee has the same obligations to participate and cooperate in the fitness-for-duty certification process as in the initial certification process. The certification from the employee's health care provider must certify that the employee is able to resume work. Additionally, the certification must specifically address whether the employee is able to perform the essential functions of the employee's job. Grant County will supply the employee with a list of essential job functions with its designation notice described above. The cost of certification will be borne by the employee.

Husband and Wife Leave under the FMLA

When a husband and wife are both employed by Grant County, they are limited to a combined total of 12 workweeks during any rolling 12-month period if leave is taken for birth of a child, care for the child after the birth, placement of a child with the employee for adoption or foster care, or to care for the employee's parent with a serious health condition. The limitation does not apply, however, to leave taken by either spouse to care for the other who is seriously ill and unable to work, to care for a child with a serious health condition, or for his or her own serious illness.

Also, an aggregate of 26 workweeks during any single 12-month period may be taken by a husband and wife who are both employed by Grant County for Military Caregiver Leave. The number of workweeks of leave available to each will be reduced by the number of workweeks taken by that individual (but not his or her spouse) during the 12-month period for other purposes under this Policy.

Intermittent or Reduced Leave Schedule under the FMLA

An employee taking leave after the birth or because of placement for adoption or foster care of a healthy child is permitted to take leave intermittently or by working a reduced workweek only with the approval of an officer of Grant County. However, intermittent, or reduced work leave to care for a seriously ill family member, because of the employee's own serious health condition, or for Military Caregiver Leave, may be taken whenever medically necessary. Military Qualifying Exigency Leave may also be taken on an intermittent or reduced leave basis. Grant County may require a medical certification of the need for intermittent or reduced schedule leave and periodic recertification of the continued need for the leave consistent with the regulations issued by the Department of Labor. In some instances, Grant County may transfer an employee temporarily to an available alternative position with equivalent pay and benefits when this would better accommodate recurring periods of intermittent or reduced schedule leave based on planned medical treatment. Actual time taken should be reported as Family and Medical Leave on the employee's time sheet. Employees on intermittent leave should contact their Human Resources representative with any questions concerning actual hours worked and overtime compensation.

When an employee takes FMLA leave on an intermittent or reduced leave schedule basis, Grant County will account for the leave using an increment no greater than the shortest period of time that Grant County uses to account for use of other forms of leave provided it is not greater than one hour and provided that the employee's FMLA leave entitlement will not be reduced by more than the amount of leave actually taken.

Grant County will require a certification of fitness to return to duty from intermittent or reduced leave schedule for each absence up to once every thirty (30) days if reasonable safety concerns exist regarding the employee's ability to perform his or her duties, based upon the serious health condition for which the employee took such leave.

Benefits During FMLA Leave

Employees on Family or Medical Leave will continue to be covered under Grant County's benefits program. If the employee has coverage through Grant County's health plan, the employee must continue to pay the employee's share of the premiums to keep this coverage in effect, just as if he or she was working. If the employee does not return to work at the end of the leave, Grant County may charge the employee for the full premium cost of the health coverage during the leave.

However, the employee will not be charged if he or she does not return due to:

1. The continuation, recurrence or onset of a serious health condition which would entitle the employee to Family and Medical Leave; or
2. Other circumstances beyond the employee's control.

Holidays While on FMLA Leave

The fact that a holiday may occur within the week that an employee has taken as FMLA leave has no effect; the week *is* counted as a week of FMLA leave. However, if the employee is using FMLA leave in increments of less than one week, the holiday *will not* count against the employee's FMLA entitlement unless the employee was otherwise scheduled and expected to work during the holiday. Furthermore, if for some reason Grant County's business activity has temporarily ceased and employees are generally not expected to report for work one or more weeks, the days the employer's activities have ceased *do not* count against the employee's FMLA leave entitlement.

Return to Work Following FMLA Leave

On return to work from Family and Medical Leave, an employee is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. Ordinarily an employee will be restored to the same position the employee held prior to the leave, with the same pay and benefits, if the position remains available. However, an employee has no right to return to the same position.

If an employee is certified as able to return to work in a light duty job, the employee has the option of declining to return and remaining on Family and Medical Leave until fully released or the 12-week entitlement period is exhausted, whichever occurs earlier. The decision not to accept light duty, however, may result in the loss of worker's compensation benefits, at which point the provision for substitution of paid leave (vacation and sick leave) would apply. Voluntary acceptance of light duty does not waive an employee's right to restoration to the same or an equivalent position. Although time spent on light duty does not count against the annual 12-week FMLA allotment, an employee's right to restoration will expire at the end of the 12-month FMLA leave period.

Key Employees under FMLA

Grant County retains the right to deny reinstatement to "Key Employees" upon its determination that substantial and grievous economic injury will result. The employee will be given notice that he or she is considered a "Key Employee" as soon as practicable after receipt of a request or designation by Grant County of an absence as Family and Medical Leave. If a determination is made of substantial and

grievous economic injury, the employee will be notified in writing, with such notice being served in person or by certified mail. Leave cannot be denied, but reinstatement can.

Other Work Prohibited During FMLA Leave

Employees may not engage in work for another employer during employee's normal business hours, whether full or part-time, while on Family and Medical Leave from Grant County. Any violation of this provision may jeopardize the employee's right to return to work. Grant County will also require both periodic reports during the course of the FMLA leave of an employee's status and his or her projected date of return to work and a written release from his or her physician to return to work.

Unlawful Acts under FMLA

It is unlawful for Grant County to: a) interfere with, restrain, or deny the exercise of any right provided for under FMLA; or b) discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement of FMLA

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against Grant County for any violation of FMLA.

LEAVE SHARING POLICY

Grant County has adopted a Leave Sharing Policy which is similar to, but is not totally consistent with, the Leave Sharing Program for State employees. A county employee may donate annual or sick leave or compensatory time to another county employee only pursuant to the following conditions:

- The receiving employee has exhausted, or will exhaust, all annual leave, sick leave and compensatory time (if applicable) due to illness, injury, impairment, or physical or mental condition, which is of an extraordinary or severe nature;

- The condition has caused, or is likely to cause, the employee to go on leave without pay or terminate employment; and
- The supervising officials of both the Recipient Employee and the Donor Employee approve the leave sharing arrangement.

The maximum amount of shared leave an employee may receive during their employment with the county is two hundred sixty-one (261) days of shared leave.

FRINGE BENEFITS

The County pays for unemployment insurance, social security (with the employee paying an equal percentage), and worker's compensation insurance. The County also pays a portion of the premium for health care insurance.

HEALTH CARE INSURANCE

Grant County participates in the Oklahoma Public Employee Health & Welfare (OPEH&W) Health Plan. Information may be obtained from the Grant County Clerk located in the Grant County Courthouse, 112 E Guthrie, Room 102, Medford, Oklahoma 73759.

Family/Spousal health insurance can be obtained, and premiums will be paid by the Employee as a payroll deduction.

You may obtain a description of current health care insurance provided by the County from the County Clerk's Office.

COUNTY'S PAYMENT OF EMPLOYER SHARE OF HEALTH INSURANCE PREMIUMS DURING LEAVE OF ABSENCE

If an employee is on medical leave, including workers' compensation leave, the County will continue to pay the County's portion of health insurance premiums for

the first 12 weeks of the absence (if the absence qualifies under the County's FMLA policy). For employees on workers' compensation leave exceeding 12 weeks, the County *may* elect to voluntarily continue paying the County's portion of health insurance premiums for up to a total of one year of the leave - -which is the limit of such benefit afforded to State employees under the Oklahoma Personnel Act.

All full-time Grant County employees shall be entitled to accrued sick leave with pay as outlined in the Sick Leave Accrual Rate Schedule outlined below:

Sick Leave Accrual Rate Schedule	
Sick Leave	Accumulation Limits
8.00 hours per month	480 hours

An employee may utilize sick leave for the following reasons:

- Personal illness and/or appointments with a health service provider
- Illness of a spouse, child, parent, or legal dependent.

In the event the leave is due to your own serious health condition, or for the seriously ill condition of a family member, the sick leave will also constitute family/medical leave where appropriate. During an approved FML, Grant County will maintain your health benefits, as if you continue to be actively employed. (See previous section on Family and Medical Leave). If your need for sick leave is foreseeable, you must give Grant County 30 days prior written notice. Where the need for sick leave is not foreseeable, you are expected to notify Grant County within 1 or 2 business days of learning of your need for sick leave, except in extraordinary circumstances. Failure to provide such notice may be grounds for denial of the leave as sick leave.

If you are requesting sick leave, you and the relevant health care provider may be asked to supply appropriate medical certification. Failure to provide requested medical certification in a timely manner may result in disciplinary action up to and including termination and/or denial of leave until is provided. Grant County, at its expense, may require an examination by a second health care provider designated by Grant County, if it reasonably doubts the medical certification, you initially provide. Grant County may require subsequent medical certification on a reasonable basis.

Temporary and/or part-time employees are not eligible for sick leave benefits.

When terminating employment with the County, an employee may not collect pay for accrued sick leave. Abuse of sick leave is grounds for termination.

ABSENTEEISM/TARDINESS

Every employee is expected to attend work regularly. Attendance on a regular basis is an absolute essential part of every position at Grant County. Excessive absenteeism or tardiness shall subject the employee to discipline, up to and including discharge.

One absence or one tardiness occurrence will be recorded for each day absent or tardy for any reason which is not for an acceptable excuse in the judgment of Grant County or otherwise excusable by law. Occurrences of absences and tardiness will be documented and considered as grounds for discipline.

Punctuality is essential to the proper functioning of this organization. "Tardy" is defined as not being in the department at the scheduled time ready to begin work or leaving work before the scheduled ending time for any reason which is not an

acceptable excuse in the judgment of Grant County or otherwise excusable by law. Failure to clock in/check in or to clock out/check out will be considered a tardy. Occurrence of tardiness will be documented and considered as grounds for discipline.

Continued, unexplained absenteeism for a period of two working days will be considered voluntary termination and the vacant position will be filled.

PERSONAL APPEARANCE AND Demeanor

Employees are expected, at all times, to present a professional and business-like image for Grant County. Dress, grooming, and personal cleanliness standards contribute to the morale of all employees. All dress should be in good taste and appropriate for your work activity environment.

Any employee violating the standards of this policy may be sent home and directed to return in appropriate attire. Non-exempt employees will not be compensated for time away from work.

POLITICAL ACTIVITY

No regular county employee (not including elected officers) shall participate in partisan politics during normal county working hours. This means the devoting of time or labor during usual office hours toward the campaign of any candidate for office or for the nomination to any office.

Use of County property, funds or facilities for campaigning is prohibited.

USE OF COUNTY PROPERTY

No county official or employee may use County property for his or her personal use. Misuse of this policy may be grounds for discipline, up to, and including discharge.

CELL PHONE POLICY

The Oklahoma State Constitution places significant restrictions on the use of county-paid cell phones. In addition, the federal Internal Revenue Service Code has significant provisions to determine whether the use of county-paid cell phones (or any other "listed property" under the I.R.S. Code) will be considered as a

taxable fringe benefit for individual employees. Therefore, in order to comply with the legal requirements of the Oklahoma Constitution, and in order not to have all cell phones inappropriately viewed as a taxable fringe benefit by the I.R.S., the following policies and procedures must be closely followed by all employees:

- County-paid cell phones will be utilized only for county business. County-paid cell phones will not be used for **any** personal calls (either incoming or outgoing).
- The County will periodically audit the usage of county-paid cell phones to ensure that these phones are not being used for personal calls.
- Employees who use a county-paid cell phone for personal calls (either incoming or outgoing) may be committing a violation of the Oklahoma State Constitution and/or the I.R.S. Code and shall be subject to disciplinary action up to and including discharge.
- If an employee wishes to use a cell phone for personal calls, there are two acceptable options available:
 1. The employee may carry two cell phones; a county-paid cell phone exclusively for county business; and an employee-paid cell phone for personal calls; or
 2. The employee may obtain and pay for a personal cell phone which is used for both county business and personal calls.

In the interest of safety, Grant County instills the following regulations:

- Hands-free while driving a county owned vehicle
- Do NOT drive distracted while using a hand-free cell phone
- Use of personal phones is prohibited except during breaks and lunch OR at the discretion of the department head

ELECTRONIC COMMUNICATIONS

The purpose of this policy is to set forth Grant County's policy regarding access to, use of and disclosure and retrieval of messages sent and/or received by employees who have access to the County's communications systems.

DEFINITIONS

"Communications Systems" refers to systems owned and/or used by the county to send and receive messages, images, data or content, which

include but may not be limited to facsimile systems, telephone systems, computer systems, internet systems, websites, electronic mail, voice mail and pagers.

"Messages" refers to information sent and/or received via Communications Systems including but not limited to electronic messages, text messages, voice messages, written messages, typed messages, documents, drawings, images, photographs, charts, graphs, and numbers.

USE OF COMMUNICATIONS SYSTEMS

Grant County's Communications Systems should be used for County business purposes only. The Communications Systems shall not be used for personal messages, solicitation or distribution of material that does not further County business purposes. Use of the system to make solicitations other than for County approved purposes, to communicate confidential or privileged information to unauthorized recipients, or for communications of a personal, political, or religious nature is prohibited.

Employees are strictly prohibited from sending, or knowingly receiving, electronic communications of a harassing, intimidating, offensive or discriminatory nature. The guidelines set forth in the Policy Against Harassment are fully applicable to electronic communications. Such conduct, or any other conduct in violation of this policy, may result in immediate dismissal or other disciplinary measures.

Messages received through the Communications Systems should not be disclosed except to authorized persons. Except as set forth below, employees are prohibited from accessing each other's email without the express consent of the employee. Each employee has a password which allows access to the email system. Your password is personal and should not be shared with other persons.

Grant County reserves the right in its discretion to monitor the Communications Systems and access electronic communications, at any time and for any reason without notice to the employees, to assure its property is being used for business or training purposes only and to prevent or detect harassment or other improper use. Grant County further reserves the right to disclose the County employee's electronic communications to others, if the County in its sole discretion determines that such action is warranted.

Employees do not have a personal privacy right in any message created, received, stored or sent via the County's Communications Systems, and employees should not expect that the Communications Systems and the electronic communications thereon, are confidential or private.

Employees are not permitted to maintain personal information on any of the County's Communications Systems.

Deleting an email message does not guarantee that it has been erased from the system. Grant County retains backup copies of certain media, including email correspondence, in the normal course of management of the Communications Systems.

Employees should be aware that Messages received by outside callers or senders are subject to monitoring.

You should consider email as any other written means of communication. Please do not transmit anything in an email message that you would not be comfortable writing in a letter or memorandum. Remember to exercise good judgment and common sense when creating and distributing messages.

Employees found violating this policy will be subject to the disciplinary process of the company which may include verbal or written warning, probation, suspension, or termination.

Employees will be required to sign an acknowledgment and authorization confirming familiarity with this policy permitting the County to monitor all electronic communications.

VEHICLE USAGE

The Oklahoma State Constitution places significant restrictions on the use of county-owned vehicles. In addition, the federal Internal Revenue Service Code has significant provisions to determine whether the use of county-owned vehicles (or any other "listed property" under the I.R.S. Code) will be considered as a taxable fringe benefit for individual employees. Grant County also has policies for the purpose of limiting liability of the County. Therefore, in order to comply with the legal requirements of the Oklahoma Constitution, in order not to have the use of county-owned vehicles inappropriately classified as a taxable fringe benefit by the I.R.S., and in order not to expose the County to unwarranted liability, the following policies and procedures must be closely followed by all employees.

- County-owned vehicles may only be used for purposes which are solely for the benefit of the county. Employees who use county-owned vehicles for purposes which are not specifically for the benefit of the county shall be subject to disciplinary action up to and including discharge.
- Only County employees on official County business, and official guests of the County, may operate or be a passenger in County-owned vehicles. County

employees shall not allow family members or other non-authorized, non-employees to operate or be a passenger in County-owned vehicles.

- Under certain circumstances, employees may be instructed by the appropriate elected official to drive a county-owned vehicle to and from the employee's home to the employee's regular place of work. Although, such use may be proper under the Oklahoma State Constitution (under appropriate circumstances), such use may still be considered as a taxable fringe benefit by the I.R.S. Code.
- Except for "Qualified Non-Personal Use Vehicles", all personal use of county-owned vehicles is considered as a taxable fringe benefit by the I.R.S. Code. This includes normal commuting to and from the employee's regular place of work, even where at the direction of the appropriate elected official. Under the I.R.S. Code, commuting is personal use even if the county requires the employee to take the vehicle home for a bona fide business reason such as being "on call."
- "Qualified Non-Personal Use Vehicles" include the following (see U.S. Treasury Regulation 1.274-5T):
 - Clearly marked police and fire trucks driven by police and fire officers;
 - Unmarked vehicles used by law enforcement officers, if the use is officially recognized;
 - Ambulances or hearses;
 - Vehicles designed to carry cargo with a loaded gross weight over 14,000 pounds;
 - Delivery trucks with seating for the driver only;
 - School buses;
 - Tractors and other special purpose farm vehicles;
 - A pick-up truck with a loaded gross vehicles weight of less than 14,000 pounds if it has been specially modified so that it is not likely to be used more than minimally for personal reasons. Modifications must include being marked with permanently affixed decals, painting or other indications of county ownership and either (see IRS Revenue Ruling 86-97):

It is equipped with at least one of the following items:

- a) A hydraulic lift gate;
- b) Permanent tank or drums (filling up the bed size);
- c) Permanent side boards or panels that materially raise the level of the sides of the truck bed;
- d) Other heavy equipment (such as electric generator, welder, boom, or crane used to tow automobiles and other vehicles);

OR

It is used primarily to transport a particular type of load (other than over the public highways) in a construction, manufacturing, processing, farming, mining, drilling, timbering, or other similar operation for which it was specifically designed or significantly modified.

- County-owned vehicles (other than Qualified Non-Personal Use Vehicles) will be utilized for personal use (such as commuting to and from work) only in situations where the use is considered by the elected official to be solely for the benefit of the county. If the personal use of a county-owned vehicle has not specifically been determined by the elected official as solely for the benefit of the county, the employee will not utilize a county-owned vehicle for personal use.
- For those employees in positions where the elected official has determined that the personal use of a county-owned vehicle is solely for the benefit of the county, (such as to commute to and from work), each employee will be required to complete a Personal Use of County-Owned Vehicle Agreement. In this Agreement, each employee will select from among the valuation methods for which they qualify, the valuation method to be used in determining the amount of the taxable fringe benefit (All employees will not qualify for all there of these valuation methods – see IRS Publication 15B):
 - The Cents Per Mile Rule;
 - The Commuting Rule; or
 - The Annual Lease Value Rule
- The County will periodically audit the usage of county-owned vehicles to ensure that the valuation of the amount of the taxable fringe benefit is appropriate. Adjustments to the amount included on the employee's wages as a taxable fringe benefit will be made at least annually and on the Form W-2 at the end of the year.
- Employees who repeatedly under-report the personal usage of a county-owned vehicle, or who knowingly use a county-owned vehicle in excess of the reported usage, may be committing a violation of the Oklahoma State Constitution

and/or the I.R.S. Code and shall be subject to disciplinary action up to and including discharge.

EDUCATIONAL BUSINESS MEAL EXPENSE REIMBURSEMENT:

The Federal Internal Revenue Service Code has significant provisions to determine whether the reimbursements to employees for business meal expenses will be considered taxable and reportable as wages. Therefore, in order to comply with the legal requirements and in order to not have business meal expense reimbursements viewed as taxable by the IRS, all Grant County employees must closely follow an accountable plan defined as follows:

- Consider de minimis meals (infrequent professional development programs) 26 USC 132 § (a)(4)
- Must have paid expenses while performing services for Grant County during any portion of any paid workday.
- Must adequately account to Grant County for these expenses within a reasonable time period.

The following policies and procedures shall be followed:

- All expenses shall be paid upon sworn itemized claims with receipts attached.
- Reimbursements will be provided for professional development programs for education and training Grant County Commissioners, County Clerk, County Treasurer, County Assessor, County Sheriff, and Court Clerk, their deputies, and employees.
- Professional development programs shall be provided by the Center for Local Government Technology (CLGT), Local Technical Assistance Program (LTAP), or other acknowledged professional organizations.
- For more information, please refer to the Grant County Travel Policy Handbook.

Violation of the policy will be grounds for discipline, up to and including discharge.

UNIFORMS AND SAFETY EQUIPMENT

The Oklahoma State Constitution places significant restrictions on the use of county-provided property. In addition, the federal Internal Revenue Service Code has significant provisions to determine whether the use of county-provided property will be considered as a taxable fringe benefit for individual employees. Therefore, in order to comply with the legal requirements of the Oklahoma Constitution, and in order to not have the use of county-provided uniforms and

safety equipment inappropriately viewed as a taxable fringe benefit by the IRS, the following policies and procedures must be closely followed by all employees:

- Uniforms and safety equipment will be provided only to employees in a position where the written, formal job description for that position includes the issuance of county-provided uniforms and/or safety equipment as part of the compensation package. If the issuance of county-provided uniforms and/or safety equipment is not included in the written, formal job description as part of the compensation package, the employee will not be provided with uniforms and (except in emergency situations) will not be provided with safety equipment.
- All clothing and uniforms provided by the county are a taxable fringe benefit except where all the following conditions are present:
 - a) Clothing or uniforms must be specifically required as a condition of employment; and
 - b) Clothing or uniforms are not adaptable to general use as ordinary clothing; and
 - c) Clothing or uniforms are, in fact, not worn for general use
- All safety equipment provided by the county (except in emergency situation) is a taxable fringe benefit except where the equipment is specifically determined to help an employee perform his/her job in a safer environment.
- Clothing, uniforms, and safety equipment provided by the county shall not be worn or used by employees except in the performance of their county duties and in direct travel to and from their place of employment. Further use of clothing, uniforms and safety equipment may constitute a violation of the Oklahoma State Constitution and/or the I.R.S. Code and shall subject an employee to disciplinary action up to and including discharge.

FIREARMS/WEAPONS

Grant County wishes to maintain a work environment that is free of unauthorized firearms, weapons, explosives, and other dangerous materials. To achieve this goal, the County prohibits (except by authorized Sheriff's office employees or by other specific authorization) the possession, transfer, sale, or use of the following items on County premises: switchblade knives and knives with a blade longer than four inches, dangerous chemical, explosives, and ammunition. Other objects carried for the purpose of injuring or intimidating other people may be considered dangerous items. This prohibition includes all handguns even if the individual has a valid license to carry a concealed handgun. Firearms may be present in an employee's vehicle on County property only if the vehicle is locked at all times.

Employees violating this policy will be subject to disciplinary action, up to and including separation. If any employee observes any dangerous items in violation of this policy on County property, the employee is under a duty to report such item to the appropriate elected official.

"Okla. Stat. Ann. tit. 21 sec. 1290.22"

COMPLAINT RESOLUTION PROCEDURE **(OPEN DOOR POLICY)**

Grant County believes it is in the best interest of both the County and its employees to promote free and open communication between employees and all levels of management. Grant County encourages employees to discuss work-related concerns with their supervisor, other management personnel, and elected officials. However, even in such discussions, misunderstandings occur. In order to resolve such instances as quickly and easily as possible, we suggest the following to ensure a policy of free and open communication:

Step 1: Should you have a concern, bring it to your supervisor's attention (if appropriate) verbally or in writing. After reviewing the facts, your supervisor will meet with you to discuss your concerns and to respond.

Step 2: If you are not satisfied with your supervisor's response (or if meeting with him or her is not appropriate) then you may present your concern to the next immediate supervisor or to the appropriate elected official who will follow the same evaluation process.

Step 3: If you wish to pursue this matter further, then you may present your concern to the District Attorney for Grant County, who will investigate the matter.

After considering your position and the available facts, the District Attorney will make a final determination on how Grant County will respond to your concern.

STATEMENT OF POLICY REGARDING DRUG AND/OR **ALCOHOL USE BY EMPLOYEES**

The County is committed to providing its employees with a safe workplace and an atmosphere which allows them to protect property and other assets placed in their

care. Employees are expected to be in a suitable mental and physical condition while at work, allowing them to perform their jobs effectively and safely.

Whenever use or abuse of any mood-altering substance (such as alcohol or other drugs) interferes with a safe workplace, appropriate action must be taken. The County has no desire to intrude into its employees' personal lives. However, both on-the-job and off-the-job involvement with any mood-altering substances can have an impact on our workplace, the County's interests, and reputation, and on the County's ability to achieve its objectives of safety and security. Employees are expected to report to the County's premises, work sites, vehicles, client locations or customer work sites with no mood-altering substances in their body. Further, the possession, sale or use of mood-altering substances at work, or coming to work under the influence of such substances will be a violation of safe work practices and may result in disciplinary action, including possible dismissal.

All employees are prohibited from the unlawful use, sale, dispensing, distribution, possession, or manufacture of illegal drugs or alcoholic beverages on the County's premises, work sites, vehicles, client locations or customer work sites. In addition, employees are prohibited from the off-premises use of alcohol and possession, use, or sale of illegal drugs when such activities adversely affect job performance, job safety, or the County's reputation. All employees will be subject to disciplinary action, up to and including dismissal, for violations of this Policy.

Any employee who is charged and/or convicted under any federal or state criminal drug and/or alcohol statute must notify their supervisor or the personnel department within five (5) days of the charge and/or conviction and may receive some form of disciplinary action, including dismissal.

The proper use of controlled medications or over-the-counter drugs as part of a prescribed medical treatment program of the individual does not constitute, by that fact alone, a violation of this Policy, but it may be important for an employee's supervisor to be aware such use is occurring in order to determine job assignments. Such use may provide a basis for reassignment, a leave of absence or dismissal because of medical reasons. An employee undergoing prescribed medical treatment with a controlled medication that could impair his/her physical, mental or emotional faculties must immediately report this treatment to his/her supervisor. Failure to do so will constitute a violation of this Policy.

The County may also search Employer owned property or premises used by the employees, as well as the personal effects of employees (to include clothing, vehicles, containers, toolboxes, lunch pails, lockers and the like) brought onto the County's property. The County may take into custody any illegal, unauthorized, or prohibited items and may turn them over to the proper law enforcement agencies. Refusal to allow a search or interference with a search may result in disciplinary action, including possible dismissal.

EMPLOYMENT SEPARATION

Grant County offers no employment contracts, nor does it guarantee any minimum length of employment. Just as any employee may terminate employment at any time, so may Grant County terminate an employee at any time “at-will,” with or without cause, with or without notice.

There are several types of separation:

RESIGNATION: Employees who find it necessary to terminate their employment with Grant County are expected to give two weeks’ notice to their supervisor.

REDUCTION IN FORCE (LAYOFF): An employee may be subject to a non-disciplinary, involuntary termination through layoff in connection with a shortage of funds, abolition of a position, or lack of need for the work performed by an employee or group of employees. The elected official should make every effort to give at least two weeks’ notice of the layoff. In such case, the employee is eligible to receive the value of their accrued and unused vacation leave.

RETIREMENT: Employees planning to retire are required to give proper two weeks’ notice of retirement. In such case, the employee is eligible to receive the value of their accrued and unused vacation leave.

DISCHARGE: In order for Grant County to carry out its obligations and priorities in the most efficient manner possible, the County adheres to the principles of at-will employment whereby the County and employees alike can terminate the employment relationship at any time and for any reason or for no reason, not prohibited by Federal, State or Municipal law.

Upon separation the employee must report to the Clerk's office for an exit interview and to make arrangements for their final paycheck.

AUTHORITY TO SEARCH

Desks, lockers, and other storage devices within the workplace may be provided for the convenience of employees but remain the sole property of the County. Accordingly, they, as well as any containers or articles found within them, can be inspected by any member of management, at any time, with or without prior notice. Containers may include, but are not limited to, any packet, package, purse,

briefcase, or lunch container. Containers are subject to search whether they are locked or unlocked. Grant County has the right to search containers whether they are locked by a device provided by the County or by the employee. Additionally, Grant County has the right to search work areas, clothing, and vehicles.

Grant County provides a computer network system, including voicemail, email, and Internet access, to employees for business use only. Employees should not expect privacy with respect to any of their activities using County-provided computer equipment, telephone equipment, computer services, or Internet access. Grant County reserves the right to review, duplicate and disclose any files, messages, or communications sent, received, or stored on the County's computer or telephone systems.

NO SOLICITATION/NO DISTRIBUTION POLICY

Grant County employees are prohibited from engaging in solicitation to other County employees or the public during the work time and in working areas of either the employee doing the solicitation, or the employee being solicited. Solicitation includes, but is not limited to, contacting other employees or the public for the purpose of encouraging their participation or support for functions or activities which are not related to the official business of the County. Examples include encouraging participation in or support for political campaigns, fundraisers, raffles, organization membership drives, sales of any product, etc. Solicitation is restricted to non-working hours such as lunch breaks, before work, and after work. Grant County employees are prohibited from distributing materials that are not work related in working areas during working time. Material of this nature may only be distributed in non-working areas such as lunchrooms or break rooms during non-working times.

SMOKE FREE POLICY

All buildings owned or operated by the Grant County are designated as nonsmoking. In addition, smoking will not be allowed within twenty-five (25) feet of any entrance or exit of any building owned or operated by Grant County.

Okla. Stat. Ann. Tit, 21 § 1247

TELEPHONE USE

Employees may use County telephones to make or receive personal telephone calls during a scheduled break or lunch hour if such calls and telephone usage do not interfere with County business. In the case of an emergency, employees may make or receive personal telephone calls during regular business hours.

Employees are prohibited from making long distance phone calls on County phones for personal or non-business matters. Violation of the policy will be grounds for discipline, up to and including discharge.

VOTING

If an employee's workday begins three hours or more after the time that the polls are opened or ends three hours or more before the time the polls are closed, the employee will be expected to vote either before or after work. If an employee's work hours are not within the above schedule, then the employee will be granted two hours of time during the period when the election polls are open in which to vote and will not be subject to loss of compensation or any other penalty for absence, as long as they notify their department head either orally or in writing of the intent to be absent at least one day prior to the election and provide to their department head proof of voting.
