Re: Road Closure of Grant Road between CR 820 and CR 830 (Trenton Road) a.k.a. North East Quarter of Section 17, Township 26 North, Range 07 West; the North West Quarter of Section 17, Township 26 North, Range 07 West; the South East Quarter of Section 8, Township 26 North, Range 07 West; and the South West Quarter of Section 8, Township 26 North, Range 07 West

Dear Sirs:

Grant Road has a bridge on it that has been closed and impassable for many, many years. I would like to take the legal steps required to officially close this road and take it off of the State of Oklahoma's maintained rural roads. This letter to you and the other land owners is the first step of this process.

The second step will be to have a legal notice published in the Medford Patriot Star for three consecutive weeks to inform any and all interested parties of the hearing and closure.

The third step will be the hearing. This hearing will be held on August 8, 2022 starting at 9:30 a.m. at the Medford Courthouse during the regular scheduled Board of County Commissioners meeting. Once a decision is made about this road it will be final and all paperwork will be filed.

If this road is closed and any locked gates are placed to prohibit access all landowners abutting the old road will be given keys to make sure the gates can be opened as needed by landowners.

If you have any questions about this process, you may contact me on my personal cell at 580.741.0003 or the office phone at 580.532.6499.

Sincerely,

Steve Stinson, Grant County District 3 Commissioner
